

Application No. 10/  
Preliminary Amendment

PATENT  
Attorney Docket No. LUC-016

**REMARKS**

Claims 37 – 56 are now pending in the present application. Original PCT claims 1 – 36 have been canceled. Claims 37 – 56 are new claims which have been substituted for original PCT claims 1 – 36 to eliminate multiple claim dependency, to eliminate possible ambiguities in the original claim language, and to provide consistency and clear antecedent basis for the claim terminology. No new matter has been added.

Entry of this Preliminary Amendment is respectfully requested. It is further requested that the filing fee calculation for this application be based on the new set of claims 37 – 56 submitted herein.

Respectfully submitted,

Date September 15, 2005
